Commissioner for Patents

This Office Letter is to provide clarification of the record regarding allowed process claims 25-30, which were withdrawn from consideration in the First Office Action on the Merits.

As claim 13 is directed to an allowable product, pursuant to the procedures set forth in the Official Gazette notice dated March 26, 1996 (1184 O.G. 86), claims 25-30, directed to the process of making or using the patentable product, previously withdrawn from consideration as a result of a restriction requirement, are now subject to being rejoined. Process claims 25-30 were rejoined and fully examined for patentability under 37 CFR 1.104. In accordance with the Official Gazette notice, supra, process claims 19, 20, 21, 22, 23 and 24, which do not depend from or otherwise include all the limitations of the allowable product, have NOT been rejoined.
